## SKILLS

- Web Development Skills (JavaScript, HTML, CSS)
- Programming Skills (Python, Java, C++)
- Software Development Skills (C#, XAML)

## PROFILE

I am good in programming and I have participated in the frontend development of 2 projects during my internship. My boss was invited me to be permanent developer in their company but as a Johorean, Selangor/KL is quite far to me. I am looking for a part time job located on Johor Bahru or in Singapore that will enable me to further improve my skills and gain more experience before I pursuing a Degree.
